This year we are hosting our Annual Benefit Dinner Fundraiser which will celebrate our twelve years of success, and offer an opportunity to raise the funds necessary to continue and expand our mission. The theme for this special evening is “Celebrating Community: the KEY to a supported life.” The evening will focus on the special and supportive relations our residents, their families and our staff members share. It will be a night full of fun, laughter and maybe a few tears, as stories from our community will be shared. The funds raised will support our various programs, provide financial aid to residents in need, fund major capital improvements and strengthen our reserves to ensure years of support as our residents age.

As a non-profit organization we rely on fundraising. With your tax deductible donation to Casa de Amma, you will be supporting our unique program which has served as a model to many throughout the world. Your assistance will directly affect the lives of our residents, and indirectly benefit many more individuals and families as we continue to be a model for those seeking to build their own “Casa.” As an independent apartment community, we focus on independence, personal growth and support for special need adults who often fall through the cracks of traditional services. We have had many individuals and organizations consult with us as they work to establish their own similar programs, and we have also expanded our offsite supported living services for some of those who are on our waiting list. With your help, we can continue to provide support services to special needs adults so they are able to create a life they are proud of and become contributing members of their community. We look forward to seeing you and extend a heartfelt thank you for your support!

Sincerely, Aaron Vorell / Executive Director

SUPPORTING Casa

Founded in 2004, our goal has been to offer a high quality, affordable, living environment and support programs that are accessible to everyone. As a 501(c)(3) Non-Profit Organization, we rely on support from friends, families, corporations and outside organizations. If finances are a concern, we may provide financial aid to individuals and their families.

Our fundraising efforts support a variety of programs, provide financial aid to residents in need, fund major capital improvements and strengthen our reserves to ensure years of support as our residents age. With your help, we can continue to provide support services to special needs adults so they can become contributing members of their community.
