SUPPORTING Casa

Founded in 2004, our goal has been to offer a high quality, affordable,
living environment and support programs that are accessible to everyone.
As a 501(c)(3) Non-Profit Organization, we rely on support from friends, families,
corporations and outside organizations. If finances are a concern, we may provide
financial aid to individuals and their families.

Our fundraising efforts support a variety of programs, provide financial aid to
residents in need, fund major capital improvements and strengthen our reserves
to ensure years of support as our residents age. With your help, we can continue to
provide support services to special needs adults so they can become
contributing members of their community.

FUNDRAISER

*Here We
Grow Again!*

**Celebrating Abilities,
Cultivating Independence**

This year we are hosting our Fifth Annual Benefit Dinner Fundraiser which will celebrate our fourteen years of success, and offer an opportunity to raise the funds necessary to continue and grow our mission.

The theme for this year’s evening is “Here We Grow Again - Celebrating Abilities, Cultivating Independence.” We will focus on the wonderful growth and amazing abilities our residents possess. At Casa de Amma we have witnessed firsthand the amazing growth in independence, abilities and self-worth as so many residents reach new heights and achieve personal dreams. We will be joined by a wonderful professional entertainer and be treated to a sit-down dinner. Even more important though we will hear and see residents and families as they share stories of growth, ability and independence.

As a non-profit organization we rely on fundraising. With your tax deductible donation to Casa de Amma, you will be supporting our unique program which has served as a model to many throughout the world. Your assistance will directly affect the lives of our residents, and indirectly benefit many more individuals and families as we continue to be a model for those seeking to build their own “Casa.” As an independent apartment community, we focus on independence, personal growth and support for special need adults who often fall through the cracks of traditional services. We have had many individuals and organizations consult with us as they work to establish their own similar programs, and we have also expanded our offsite supported living services for some of those who are on our waiting list. With your help, we can continue to provide support services to special needs adults so they are able to create a life they are proud of and become contributing members of their community. We look forward to seeing you and extend a heartfelt thank you for your support!

Sincerely, Aaron Vorell / Executive Director
