For The First Annual
Independent Apartment Community Symposium

Each month Casa de Amma fields numerous requests for information and guidance from families and the professional community. In response, we meet with individuals or groups who request a tour and/or a meeting with our residents and staff. While we certainly are thankful for the attention, we realize we cannot serve the needs of all who wish to be part of Casa's unique model which provides for independent living, individualized support, social opportunities and community integration.

Because of this need we are excited to announce the
First Annual Symposium For Independent Apartment Communities
which will be held on May 11th, 2016 at Casa de Amma.

The Independent Apartment Communities group (IAC) is a newly formed association of organizations, professionals, families and individuals who believe that Independent Apartment Communities represent a unique, beneficial and preferred option for housings and supports for those individuals with intellectual and developmental disabilities. The IAC exists to offer education, resources, networking and support for those who want to create Independent Apartment Communities in their local area. The IAC will also support existing Independent Apartment Communities to best fulfill their mission in a sustainable and person-centered focus.

The symposium will have three main purposes; First, it will offer successful examples of IAC's and serve to cast vision for those not familiar with Independent Apartment Communities. Second, we will provide education, resources and best practices on how to build, fund and operate an Independent Apartment Community. Finally, we will offer networking opportunities and consulting services for those interested in creating an Independent Apartment Community in their local area. This day-long event will be offered at no cost to attendees and will include a variety of speakers.

More details will be available soon, however if you want to RSVP to secure a spot or to request more information please email Aaron Vorell at avorell@casadeamma.org.

Other Participating IAC Programs
