To our dear families and friends -

At this year's Second Annual Benefit Dinner we are excited to celebrate over eleven years of success at Casa. This event is an opportunity to raise the funds necessary to continue our mission in a way that maximizes the benefit to our residents, families and serves as a model to many.

This special evening will focus on the impact Casa de Amma is making in the lives of our residents. The evening will focus on the residents and their unique abilities and successes. The funds raised will support our varied programs, provide financial aid to residents in need, fund major capital improvements and strengthen our reserves to ensure years of support for our residents as they age.

We are proud to report that Casa de Amma continues to be a model program that many wish to replicate in an effort to help meet the needs of adults with disabilities. We continue to consult with other organizations while they work to establish their own programs. Additionally, we have expanded our offsite program to support six disabled adults living in our local community who are now a close part of the growing Casa family!

We look forward to seeing you and extend a heartfelt thank you for your support!

Sincerely,
Aaron Vorell / Executive Director

Supporting Casa

Founded in 2004, our goal has been to offer a high quality, affordable, living environment and support programs that are accessible to everyone. As a 501c3 Non-Profit Organization, we rely on support from friends, families, corporations and outside organizations. If finances are a concern, we may provide financial aid to individuals and their families.

Our fundraising efforts support a variety of programs, provide financial aid to residents in need, fund major capital improvements and strengthen our reserves to ensure years of support as our residents age. With your help, we can continue to provide support services to special needs adults so they can become contributing members of their community.
