

Join Us For The Second Annual Independent Apartment Community Symposium Wednesday, June 7th 2017 / 9:00am

STEPHEN'S PLACE

501 SE Ellsworth Road, Vancouver, WA 98664 / (360) 984-3600

The Independent Apartment Communities group (IAC) is an association of organizations, professionals, families and individuals who believe that Independent Apartment Communities represent a unique, beneficial and preferred option for housings and supports for individuals with intellectual and developmental disabilities. The IAC Group exists to offer education, resources, networking and support for those who want to create Independent Apartment Communities in their local area.

The symposium will have three main purposes; First, it will offer successful examples of IAC's and serve to cast vision for those not familiar with Independent Apartment Communities. Second, it will provide education, resources and best practices on how to build, fund and operate an Independent Apartment Community. Finally, it will offer networking opportunities and consulting services for those interested in creating an Independent Apartment Community in their local area.

This event will be offered at no cost to attendees and will include a variety of speakers, and a networking opportunity to meet others who share the desire to be part of an IAC.
